# ABOUT CLANTON'S CAFE

Clanton's Cafe on Historical Route 66 is owned and operated by fourth generation Clantons, Dennis and Melissa (Clanton) Patrick. There has been a Clanton in the cafe business in Vinita since Sweet Tater Clanton opened the Busy Bee in 1927. The current Clanton's Cafe was opened at this location in 1947 by Cleve and Ma Clanton and has been serving hungry travelers ever since. We are now the oldest family-owned restaurant on historic Route 66 in Oklahoma. A Vinita family tradition of which we are proud.

We take pride in the effort that is put into each item of food. Our potatoes are hand-peeled and hand-cut. Our salad dressings are homemade and our pies are made from scratch. Our recipes haven't changed much since Sweet Tater developed them in 1927. Our Chicken Fried Steak, Calf Fries and Chicken and Dressing have been featured in Gourmet Magazine, Oklahoma Today and most recently on the Food Network's "Diners, Drive-ins and Dives".

Please accept our appreciation and sincere thanks for letting us serve you. Sometimes, in the rush of business life we fail to say thank you loud enough. But you can be sure your patronage is never taken for granted. Our aim is to please and satisfy you. To serve you is a real privilege.
